

## Preschool News 5/19

Happy Friday, families! A short newsletter for the week - but not the last one of the school year. Stay tuned next week for my note of reflection on the 2022-23 school year!

We will see you all back on Monday for our last week of teaching and learning for the 2022-23 school year! ♥ Ms. Jess

### Spring Sing

Spring Sing was AWESOME and we were blown away by the children, your presence, and just the sounds of joy and laughter that came from the sanctuary on Wednesday and Thursday. Thank you for sharing in our celebration of the 2022-23 school year - it was a really special two days.

A special thank you to Ms. Lisa and all the work she did to make Spring Sing a fun, joyous, and developmentally-appropriate program for our children. Thanks also go out to all the preschool teachers for working with the children and being flexible, Ms. Mika for her loving hand on all things, Blair Roberts for her VBS table, Mr. Danny and Dr. Jon for their AV assistance, and Pastor Mitzi and Mr. Danny the blessing of the programs.

## SUMC Vacation Bible School

Ready for Discovery on Adventure Island VBS? We are! Join us from July 24 - July 27, as your children enjoy an interactive, energizing, Bible-based good time on their quest for God's great light. The children will create art, sing new songs, play games, explore Science, and eat tasty treats! For all the information and registration/volunteer details, please visit the [SUMC VBS page](#).

## Spring Pictures

The picture orders were collected on Tuesday of this week and the actual orders are scheduled to arrive this week for distribution. If you submitted your order form a little late, your orders may arrive a little later. No worries - for any family that falls into that category or for families that are not here next week, you can pick up your orders from the preschool office after next week. The preschool office will remain open until the last week of June, so I will be here!

## Summer Camp

Families attending preschool summer camp will receive a note home from me with all the information you need to know in the next week or so. We are in the midst of finalizing those details for you. You will also receive a note home from your summer camp teachers the week before camp. We are so excited to welcome you to our summer programming in June!
