Music & Movement

We have had a great week in music and movement. We are singing about spring things and of course we found some silly songs! Beginning with What Shall I Put in the Hole I Dig? Which then leads into I Took A Bath (in the Washing Machine). There have been lots of giggles this week in my classroom. - Ms. Lisa

Preschool Chapel

This week in Chapel, Mr. Danny talked about the Holy Spirit. Jesus' disciples were meeting in a house. All of a sudden, something amazing happened! The loud rush of wind filled the air and then a flame burned above each disciple. The wind and fire filled the disciples with the Holy Spirit. Then, something else happened! The disciples were able to talk to people from many places about Jesus, even people who did not speak their language. The gift of the Holy Spirit made this happen. The Holy Spirit helps us share Jesus with people, and helps others share the gift of Jesus with us.
